CNAC-QA 260-270

Exercise A

What is the effect of blessing?

God's blessing is the focal point of the events you read about while doing your homework. Briefly summarise what blessing brings about:

The picture

Exercise B

In this picture there are various vessels standing in the rain. Which of these will likely take in the most water? Why? What does this depend on?

Exercise C

Now consider the significance of this picture for our faith. What do we have to do to obtain and assimilate God's blessing? Talk about your thoughts. Afterwards jot down the points which are important to you. (NOTE: Do not write on the last line! After lesson 27 you will be adding another point.)
