

LESSON 1.1.2
Air, earth and water.

Text: Genesis 1:1-19

The children learn to admire God's creation. They should become aware that all life is dependent on the elements created by God (air/earth/water).

God's creation is perfect.

Activity:

1. To find out what God made, colour parts of the picture with the colours that go with the number.

1 - blue

2 - green

3 - brown
